**2.2 Catering to Student Diversity**

**2.2.1 The institution assesses the learning levels of the students, after admission and organises special programs for advanced learners and slow learners**

**Response:**

The college has many methods and events to assess the students in terms of knowledge and skills before the commencement of the programmes.

The members of the admission committee examine the ability and enquire the interest of the students in accordance with the subject selected by the students at the time of admission. Orientation programmes and coaching are conducted for the newly admitted students for coordinating and assessing their knowledge. Department conducts entry level test in interdisciplinary subjects to assess the students. The entry level assessment and performance of student are taken into account and concerned faculty members are intimated to cope-up with the knowledge and encouragement of programmes.

Coaching classes are conducted for slow learners to compete with advanced learners.

## Self Study Report – 2018 ( Criterion – 2 )

The advanced learners are identified by their academic performance and achievements. Special guidance and consultations are given to the advanced learners to secure high percentage of marks in university examination.

The faculty members of the departments and the placement cell constantly encourage the advanced learners to write many competitive exams.

Advanced learners are also motivated to join in courses and priority is given to participate in intercollegiate competition and state/national level seminar.

Slow learners are identified through various tests and remedial classes are conducted to improve their academic knowledge.

### 2.2.2 Student - Full time teacher ratio

**Response: 38.81**

## **2.3 Teaching- Learning Process**

### **2.3.1 Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences**

**Response:**

The institution adopts methods more on students-centric to support structures in systems by teachers to develop skills in various learning process.

The institution concentrates much on introducing various modern techniques to make learning more effective for the benefit of students. The learning process is enriched and empowered by the practices which develop communication skills, listening skills, solving problems, improving knowledge, training and participation in various academic programmes which enable the students? lifelong learning.

Students are highly motivated to participate in seminars, workshops, conferences, study tours, projects, Science Exhibition, Group discussion, Guest Lectures, symposium, Quiz programmes and club activities to enrich the different learning methods.

The institution provides required infrastructural facility like resourceful, Internet, Netlab, Department library, fully equipped and digitalized central library providing reference books, magazines, laboratories with well equipped materials for improving and increasing technical

knowledge of students. With this wide range of gaining knowledge from the above mentioned learning processes, students prepare charts, models, present paper , publications,

Students Participate in extra-curricular activities like sports, Fine arts, Music, Dance, Yoga and cultural competition. These are the unique resources and provisions to develop skills like interactive learning, collaborative learning and independent learning among students.

**2.3.2 Percentage of teachers using ICT for effective teaching with Learning Management Systems (LMS), E-learning resources etc.**

**2.3.4 Innovation and creativity in teaching-learning**

**Response:**

The institution encourages faculty members of all departments to adopt the latest and innovative teaching methodology with ICT tools in teaching process. The faculty members are provided with LCD projectors, CD?s, Over Head Projectors, Audio- Visual facility, Computer with Internet facility to use in Teaching Learning process. Net lab and computer aided facility are installed to utilize in the Teaching method.

Students participate in class seminars, workshops, group discussions, debate, paper presentation, guest lectures and project work for the effective impact and impressive growth and development in the performance of students to achieve the academic excellence and improve their knowledge by the innovative practices.

The faculty members also adopt new and innovative approaches like assignments, exhibitions, paper presentation, participation in competitions, field trips, use of net lab and internship. The remarkable achievements and growth are envisaged among students by adopting constant and continuous innovative methods by the faculty members.

The institution gives priority to the competencies which are necessary for personal fulfillment and development, social inclusion, active citizenship and employment of the students. The

teaching learning methods are designed in such a way that they acquire communication skills, mathematical competency, basic competing in science and technology, digital competency, social and civil competency, sense of initiative and entrepreneurship, cultural awareness and expression and learning to learn.

The institution adopts cognitive approach in teaching/ learning process. This cognitive approach helps the students to think and develop their intelligent. The uses of pragmatic methods also help the teachers and students to enhance the teaching/ learning process.

## 2.5 Evaluation Process and Reforms

### 2.5.1 Reforms in Continuous Internal Evaluation(CIE) system at the institutional level

**Response:**

Various measures are adopted to assess the achievements of students. The Examination pattern and the participation of students in academic performances and test evaluation are also assessed. The allocation of marks according to the University norms is 30 marks for Internal evaluation and 70 marks for External evaluation for theory examinations. The Internal Evaluation method is assessed by the staff members by motivating the students to attend regular classes, active participation and better interactions with teachers during the subject hours.

The Continuous Internal assessment of students is analyzed through assignments, test, quiz programmes, seminars, debates and discussion. Students are encouraged to participate in curricular and Extra-curricular, Competitions such as Inter departmental, oratorical competition, literary competition, cultural events and Annual sports meet. The Winners are awarded with prize, Shields, Gifts and certificates. This kind of encouragement motivates and creates confidence among students to participate in various competitions and bring laurels and fame to the college.

Projects are done as per the work plan. A minimum of 10 marks for UG in the formative assessment and 30 marks for UG in the summative assessment is fixed as passing minimum in

each subject.

**Formative evaluation approaches:**

- Assessment
- Attendance
- Seminars Tests
- Practicals

**Summative evaluation approaches:**

- Theory written Examination
- Practical Examination
- Project work

The institution follows major evaluation reforms of the Veer Kunwar Singh University, Ara, Bihar. The institution adheres strictly the norms for conducting internal and external exams. Central evaluation is conducted by the University for all affiliating colleges. The University provides a provision for the students to apply for revaluation, re-totaling and getting photo copies of answer scripts of the university examinations.

The University examination marks are intimated to the parents. Any reformation in model examination, internal test, model practical are carried out by the institution. Seminar, Group discussion, presentation and assignments are conducted to evaluate the performance of the students. Choice based credit system designed by the university is implemented by the institution.

**2.5.2 Mechanism of internal assessment is transparent and robust in terms of frequency and variety**

**Response:**

The College introduces the process of department evaluation to assess the teaching learning process, marks obtained in unit test, model examination, internal test by students and practical exam and other academic performances. The marks secured by the students in the test are informed both to the parents and students. The evaluation process and methods are communicated to all students by the department staff for their clear understanding in the beginning of the academic year.

The evaluation methods are done in all fields of academic performance of each department. Teachers are trained to understand the evaluation process and their teaching strategies are assessed and evaluated through feedback obtained from students. The IQAC also gathers suggestions from the feedback of the students and analyses the suggestions and informs the evaluated reports to the Principal and all faculty members for rectification and correction.

The Internal Assessment is done to the students on the basis of marks secured by them, academic

performance, attendance, participation in various curriculum, co-curricular, cultural, sports and extension activities. Test marks and their academic performances are displayed in the notice board and informed to the students well in advance to prepare and to initiate the students for more achievements and significant improvement during the last four years.

**Behavioral Aspects:**

- Orientation and personality development programme, various activities such as Self-help club activities, NSS, Rotract and YRC for the behavioral development.

**Independent Learning:**

- Independent learning enhanced with provided software skills, ICT tools and elective based skills.
- Digitalized library with INFLIBNET and DELNET.
- Internet facility, Audio-visual packages and English communicative lab.

**2.5.3 Mechanism to deal with examination related grievances is transparent, time-bound and efficient**

**Response:**

- The following mechanism is adopted to deal with the examination related grievances. The institution has Grievance Redressal Cell consisting of staff members. The students can represent their problems and grievances anytime for counseling and solving of their problems. Another mechanism, which helps the students to have a good rapport between the students and faculty members, is Tutor system and this system enables to discuss various problems of the students, their academic performance and personal issues the college union council member also represent the griveances, problems to the principals, HOD and the management. After the publicaiton of annual result by the Veer Kunwar Singh University, Ara student can abile the followings –
- Photocopies of Answer scripts Re-totaling of marks
- Supplementary Examination
- The College helps the students to communicate the grievances relating to the result withheld, change of marks which is time bound and efficient.

**2.5.4 The institution adheres to the academic calendar for the conduct of CIE**

**Response:**

The institution adheres to the academic calendar for the conduct of CIE. The academic year usually commences in the month of June and the academic activities of the college are planned by a committee consisting of Principal, HODs and senior faculty members.

Academic calendar is prepared by the committee stating all the activities that should be followed throughout the year. The calendar states the following events such as Faculty list, Teaching

schedule for each semester, Admission process, important events of academic year, working days and holidays, details of curricular and extra-curricular activities, committee members, dates of internal test, model examination, evaluation schemes, names of college students? union council, rules and regulations of the college and commencement of date of classes for each semester. The IQAC prepares the blue print of the college and initiate the system by internal evaluation of the departments and motivates the faculty members for innovative teaching plan.

## **2.6 Student Performance and Learning Outcomes**

**2.6.1 Program outcomes, program specific outcomes and course outcomes for all programs offered by the Institution are stated and displayed on website and communicated to teachers and students**

**Response:**

Yes, the College has clearly stated the learning outcomes of students and staff members. The Continuous Internal Assessment mainly reveals the learning outcomes and Academic performance of students. Students learning outcomes can also be obtained by the marks secured in the university examinations. The arrear students are giving counseling to the improve their learning and academic performance by the staff members.

The mechanism of communication are website and newspaper. All the information related to students and teachers are uploaded on the college website and are also published in the Newspapers. Courses running in the college have appreciating outcomes. Students after completing their graduation.

**2.6.2 Attainment of program outcomes, program specific outcomes and course outcomes are evaluated by the institution**

**Response:**

The College has clearly stated the learning outcomes of students and staff members. The Continuous Internal Assessment mainly reveals the learning outcomes and Academic performance of students. Students learning outcomes can also be obtained by the marks secured in the university exams. The arrear students are given counseling to improve their learning and academic performance by the staff members.

Remedial classes are regularly conducted for the slow learners. Bridge courses are also conducted for the fresher's for the benefit of enhancing academic performance. Orientation programmes and faculty development programmes are also organized for the benefit of staff members. Discussions are made by the Principal, HODs and staff members regarding curricular programmes, academic programmes, methods to be implemented in terms with vision and mission of the institution.

Training is given to the faculty members to make them familiar with innovative methods like use of computers, technological resources like ICT, LCD, OHP, Projectors, Internet and orientation programmes. The Evaluation of learning process of students are assessed by presentation,

assignments, discussions and seminars. Students profile is maintained to enroll the academic activities and their performances. Students are exposed to the empowering programmes to develop various skills like scientific, higher education, potentiality and academic excellence.

All departments record the marks secured by the students in the tests conducted by the institution and the results of the university examination. These marks and results are displayed in the notice board. The records and the performance of the students are maintained by the concerned department. The progress report containing the marks of CIA test, Unit test, Model exam are sent to the parents.

The institution conducts frequent Parents-Teachers meet which paves way for both the teachers and parents to discuss about the academic performances and development of students. Feedback is also collected and the suggestions received from the parents are implemented for the future enhancement and development.

**2.6.3 Average pass percentage of Students**

**Response: 77.09**

2.6.3.1 Total number of final year students who passed the university examination

Response: 969

2.6.3.2 Total number of final year students who appeared for the examination

Response: 1257
