3.2 Innovation Ecosystem

3.2.1 Institution has created an ecosystem for innovations including incubation centre and other initiatives for creation and transfer of knowledge

Response:

Knowledge and innovation are crucial conditions for economic development and important engines of structural change across sectors. Keeping this in mind the institution has an incubation centre which provides a platform for the students to nurture their idea into viable business.

The incubation centre along with clubs like (I) Toys making (II) Painting (III) Handicraft conduct special training for the student every week to get self employment.

The college has been conducting various career oriented programmes for betterment of the students. Personality development programme, Interpersonal relationship building and Team dynamics understanding are incorporated into their curriculum for development of soft skills.

The placement cell provides coaching and training every week to improve skill of employability in various fields.

Special training for self-help club activities are given to students every week in entrepreneurial cell like paintings and toy making clubs to get self employment.

40 students from various courses are selected to carry out the club activities and one student from final UG is designated as club in charge.

A special room is Provided to each self help club activities such as Toys making, Painting and environmental etc.

These club activities are conducted every Saturday which provides self help carrier options for students. It also helps for “Earn while You Learn” facility.

Through these club activities, students exhibit their talents and their efforts are rightly identified. Some of the out gone students through these club activities have got self employment.

The entrepreneurial cell also plays a very important role in promoting self-help employment and creates students as young entrepreneurs.

3.4 Extension Activities

3.4.1 Extension activities in the neighborhood community in terms of impact and sensitizing students to social issues and holistic development during the last five years

Response:

The institution promotes a good rapport with neighborhood community through extension activities and programmes for the betterment of society and to inculcate the social responsibility among the young minds.

- **Village Adoption and School Adoption:**

The institution has adopted a neighboring village called Kurai and government elementary school in this village. The management extends financial help, academic programmes and social services. The adopted school students are provided with uniform dress, note books and other assistance.

- **Health Centre:**

To promote the health and wellness of the neighborhood community, health centre has been constituted in the institution for the conduction of medical camps and eye camps.

- **Awareness Programme:**

Awareness programmes are conducted in relation to anti-tobacco, road safety, right for vote, rainwater harvesting, electricity saving, tree plantation, save tree and save water etc.

- **Vivekananda Mandram:**

The main objective of the such programme is to develop ethical values of life and holistic development as stated by Swami Vivekananda.

- **Various Club Activities:**

To develop the self-help employment opportunities among the students, various club activities like painting, toys making, waste management, clean and green etc., are conducted for their future career.

- **Literary Association:**

All the departments of the college have their own association to develop the Co-curricular activities and provide a platform to the students to participate in the activities like group discussion, mock interview, elocution contest, essay writing etc.

- **National service scheme (NSS):**

NSS extension activities are conducted every year in a particular village for doing social services, cleaning and greening, Health Camp, eye camp, awareness programme and rallies to develop the social services and responsibilities among the students and to understand the community needs.

- **Youth Red Cross (YRC):**

It is avenue which enthusiastically pursues a series of activities ranging from social/recreational to community programmes.

- **Tree Plantation & Clean and Green Campus:**

The students are encouraged to plant and maintain the trees to reduce pollution and to improve green ambience in nearby villages.

- **Yoga and Meditation:**

Yoga and meditation is practiced in the campus to create a calm mind, good concentration, improved communication, better clarity, relaxation and rejuvenation of the mind and body.

- **Work for Flood Relief:**

Incessant rain and floods in Bihar during February 2017 have thrown the life of people to a nightmare. The institution also rendered its great service in preparation and distribution of food for the people. By the above extension activities and social responsibilities, students are well

trained for the contribution of good citizenship, service orientation and holistic development of students.
