ACKNOWLEDGEMENT

Dr. Sanjay Kumar Upadhyay
Coordinator, NAAC Steering Committee

This Self Study Report has been prepared with the guidelines of NAAC. The report is reflection of the academic, students support services and administrative functions and activities happening during the past 40 years in the College focusing on the seven criteria i.e curricular Aspects, Teaching- Learning and evaluation, Research, Consultancy and extension, Infrastructure and Learning Resources, Student support and progression, Governance, Leadership and management, innovations and Best Practices. It is an Endeavour which encourages us to examine our strength assess our weakness, accumulate the opportunities offered in Education and prepare the challenges that are at the forefront.

A committee comprising of four faculty members has been constituted to complete the report under my coordinators. The committee has prepared the report through group discussions with its members and regular interactions with the principal and the entire campus community. This report has been finalized with utmost sincerity, honesty and collective effort of the faculty members and regular motivations of our principal **Dr. Anil Kumar** deserves unforgettable thanks for his moral boosting attitude, enthusiastic support and guidelines.

The college NAAC steering team are also thankful to all those who diligently worked hard to obtain inputs including data and figures to prepare SSR. I am very much happy to meet and welcome the peer team of NAAC to visit our institution. Such occasion and interaction provides enrichment to us with their comments and suggestions. I thank the management, teaching and non-teaching staff who helped me in getting the final draft. Lastly, I wish to thank all those persons who, directly or indirectly supported us to prepare this SSR. We are eagerly looking forward to welcome the peer team and hope they will applaud our efforts.

With thanks,

Coordinator, NAAC Steering Committee

INTRODUCTION TO THE PRINCIPAL'S MESSAGE

Dr. Anil Kumar

Knowledge help you to reach your destination, provided you to know what the destination is!

As Dronacharya said to Arjun you shoot the the arrow straight and hit the eye of the bird and this is what the determination of Arjun was for destination, unless we focus, we can't achieve our goal. It is hard to focus and concentrate, but it is the skill that can be learned. You, students are always are Arjun and nothing impossible for you, but you have to be committed for your goal.

Dr. Anil Kumar is the Principal of the college with 40 Years high experienced in academics & Administration. He has done M.A. in Political Science and Ph.D in Political Science from BHU Varanasi. His passion for education shifted him to education life. His dynamic leadership and easy approachability have created optimum satisfaction among all holders. He has written four books in Different areas. He aims to provide facilities to youth power by providing the right skill-sets and environment to unleash their potential and become self dependant, patriotic and contributes their right part for shinning India on its right growth path to become a global power. Group effort is the backbone of true success. With this philosophy, I present the Self Study Report of our institution to National Assessment and Accreditation Council for the first cycle Accreditation process. We are grateful to NAAC for the same. This process has made us aware of our strengths as well as challenges and the opportunity to go for accreditation gives meaning to the entire teaching-learning process.

We provide our students with various facilities like audio-visual classrooms with LCD Projectors, Computer Laboratory, Internet, Library, Hygienic Cafeteria, Conference Room, Language Laboratory, Gymkhana, Boy/Girls Common Room, Auditorium, Research Centre, Play Ground, NSS Cell etc. The committees organise various curricular & extra- curricular activities. The report has been finalized with utmost sincerity, honesty and collective effort of the faculty members which is now being submitted to the NAAC for assessment and accreditation. So this report is the outcome of the collective efforts of the entire campus community. I deeply appreciate the wide involvement and sincere, collaborative effort of the entire team. Hope we shall have the pleasure of hearing soon from you on your decision on Peer Team Visit for Inspection.

With these few words, the SSR of the college is submitted to NAAC for first cycle of accreditation as we believe that this process will help us achieve newer heights in our goal of imparting quality education to students and other stake holders.
